

REQUEST FOR RECONSIDERATION OF LIBRARY/MEDIA MATERIALS

Each parent/guardian or District resident may challenge up to five (5) individual library/media materials in one school year (July 1 – June 30). The parent/guardian or District resident must have read, viewed, or listened to the challenged material in its entirety to be eligible to submit a challenge at each level.

Author: _____

Title: _____

Publisher/Producer: _____

Copyright Date and Edition: _____

School(s) Library Location: _____

Request for reconsideration initiated by:

Name: _____

Address: _____ Telephone: _____

City: _____ State and Zip Code: _____

Email address: _____

Requester is a:

☐ Parent/Guardian

☐ District Resident

The requester has attempted to resolve this concern informally by expressing their concern with the school administrator.

☐ Yes

☐ No

Did you read, view, or listen to the library/media material in its entirety?

☐ Yes

☐ No

Based on the criteria outlined in Board Policy 2522 Library Media Centers, provide specific concerns upon which the request to reconsider is based. This should include a specific description of the offending material (e.g. contains content that is harmful to minors or prohibited by state law, violates the District's policy on non-discrimination, is not age-appropriate or developmentally appropriate for the grade level for which the material is available, or some other specific reason). This should include specific references to the text by page number and excerpted text.

In your own words, please explain why, when taken as a whole, this material has no literary, artistic, political, scientific, or social purpose or value.

What would you recommend the district to do about this library/media material?

- ☐ Remove the material from the library
- ☐ Restrict the material to a certain age/grade
- Age _____ and up
- Grade _____ and up
