PART I BENEFITS

It is the Board of Education's policy desire to provide a competitive and comprehensive benefits package to effectively attract and retain high quality employees. The Board of Education reserves the right to add, eliminate, modify and/or adjust employment benefits at any time providing a minimum of 30-calendar day notice to employees.

INSURANCE:

HEALTH INSURANCE

The District will provide a plan of medical insurance and will pay a determined dollar amount of the family or single medical insurance premium for all year round full-time staff. The employee will pay the remaining portion of the premium cost through monthly payroll deductions. Insurance benefits are effective for eligible employees on the first day of the month following the first day of active and continuous, full-time employment.

The Board will pay pro-rata premiums for school year and part-time employees who are enrolled in the health insurance plan and who work at least 30 hours per week and 120 days per year. Part-time employees will pay the balance of the premiums through payroll deduction. Any employee who does not meet the employment criteria above will be ineligible for district group insurance.

School year employees who resign from employment effective at the end of the school year will continue coverage under the medical insurance plan through August 31, but may owe additional premium dollars. The District will pay a determined dollar amount of the applicable monthly premiums. The individual must pay the balance of the premiums through payroll deduction during the last pay period of the school year. Thereafter, employees may continue in the group plan under the COBRA insurance continuation law upon resignation.

DENTAL INSURANCE

The District will provide a plan of dental insurance and will pay a determined amount of the family or single dental premium for all year round full-time staff. The employee will pay the remaining portion of the premium cost through monthly payroll deductions. Insurance benefits are effective for eligible employees on the first day of the month following the first day of active and continuous, full-time employment.

The Board will pay pro-rata premiums for school year and part-time employees who are enrolled in the dental insurance plan and who work at least 30 hours per week and 120 days per year. School year and part-time employees will pay the balance of the premiums through payroll deduction. Any employee who does not meet the employment criteria above will be ineligible for insurance.

School year employees, who resign from employment effective at the end of the school year, will continue coverage under the dental insurance plan through August 31, but may owe additional premium dollars. The District will pay a determined dollar amount of the applicable monthly premiums. The individual must pay the balance of the premiums through payroll deduction during the last pay period of the school year. Thereafter, employees may continue in the group plan under the COBRA insurance continuation law.

LIFE INSURANCE

After 1 month of creditable employment with any State employer, term life insurance for the employee, their spouse, and dependents is available for purchase by the employee.

SHORT TERM DISABILITY

Short-term disability insurance is provided for employees who work a minimum of 30 hours a week and at least 9 months a year. The District pays 100% of the required premium.

LONG TERM DISABILITY

Long-term disability insurance is available to employees who work a minimum of 30 hours a week and at least 9 months a year. The District pays 100% the premium for the employee.

FLEXIBLE BENEFIT PLAN (Section 125/Cafeteria Plan)

Section 125 of the Internal Revenue Code makes it possible for employees to pay certain qualifying expenses without paying taxes on the income used to pay the expenses. The District Flexible Benefit Plan provides an opportunity to use specific tax advantages when paying for dependent care expenses paid by the employee or a spouse of the employee. Money is saved by not paying Federal, State, and FICA taxes on amounts of income set aside for qualifying expenses. The District automatically processes the employee contribution to medical and dental insurance premiums through the Flex Benefit Plan. Please refer to the Employee Guide to Pre-Tax Savings for more information.

VOLUNTARY BENEFITS

The district offers a vision plan on a voluntary basis that an employee may elect to participate in. Voluntary insurance options available will be provided upon hire during orientation or by contacting the Business Office. The employee pays 100% of the premium.

INSURANCE OPEN ENROLLMENT

The district will annually provide an opportunity for employees to choose insurance benefits in November with a January 1 coverage start date.

RETIREMENT BENEFITS:

WISCONSIN RETIREMENT SYSTEM (WRS) CONTRIBUTION

The Board will contribute one half of the total required contribution share to the Wisconsin Retirement System (WRS) for all employees who work 880 or more hours. Employees will pay the remaining half of the total required contribution to the Wisconsin Retirement System, as required by state law through payroll deduction. Under no circumstance may the Board pay the employee's required WRS contribution. The payment of employee WRS contributions is made pre-tax and thus exempt from state and federal taxes, but subject to FICA taxes. Please refer to ETF document ET-4930 or contact ETF directly for more information.

Employees may also make additional contributions to their WRS account through **after-tax** payroll deductions. Please refer to ETF document ET-2123 for more information. **The District does not match any additional WRS contributions made by the employee.**

TAX SHELTERED ANNUITY (403(b) Plan)

Tax Sheltered Annuity plans are available to all employees. While the District does not contribute to, or match employee contributions, employees may participate as they wish. Please refer to the Tax Sheltered Annuity Information packet for additional information as well as approved vendors.

RETIREMENT AGE

A support staff member, who as an active employee participated in the District insurance plans and retires from the District at the end of the school year she/he attains the age of 55 or greater, may remain in the District's medical and/or dental insurance group under the conditions of the insurance policies and as enumerated in Board Policy, until he or she becomes eligible for Medicare. When this occurs, the retiree shall be responsible for obtaining his/her own medical and/or dental supplemental insurance. Except as provided in this handbook, the premiums for all post retirement insurance shall be paid by the retiree.

Failure of a retired employee to pay monthly premiums to the School District will terminate the eligibility of the employee to continue to participate in the School District medical and dental insurance plans.

RETIREMENT SERVICE AWARD

1. Full-time 12 month support staff employees who meet the following qualifications will receive a retirement service award:
 - (a) attained age 55
 - (b) completed twenty years of full-time employment with the School District of Chilton
 - (c) have provided 30 days written notice to the District Administrator of intent to retire
 - (d) are enrolled within the District's medical insurance plan having the lowest monthly premium of all plans in force, with coverage to be effective not later than the first day of retirement

2. The service award is an authorization to continue participation within the lowest premium cost single medical insurance plan in force within the School District, with the School District contributing on a monthly basis, the full applicable monthly premium in effect on the date of retirement for the number of months, determined on the basis of the following formula:

One-half accumulated <u>Sick leave at time of retirement X daily wage at retirement</u> Full applicable monthly premium of the lowest premium cost Single medical plan in effect on first day of retirement	=	Number of months District will contribute toward medical insurance premium for retiree
--	---	---

Failure of the retiree to pay to the School District the balance of the unpaid monthly premium will terminate the obligation of the School District to continue to provide this benefit and will result in the employee (dependents) being dropped from the group insurance plan.

ABSENCE/LEAVE BENEFITS:

ABSENCE DUE TO ILLNESS

Sick leave will be used in conjunction with Short Term Disability (STD) or for other reasons allowed by the District Administrator (doctor appointments, illness of self, spouse, domestic partner, child under the age of 18 or parent, and childbirth).

Sick leave will be granted at a rate of eight (8) days per year with no accumulation. The days will be converted to hours based on the employee's scheduled work day. At the end of each fiscal year any unused sick days will be deleted and on the first date of the next year a new allocation of eight (8) days will be granted.

Staff employed prior to 7/1/2013 with accumulated sick leave balance will not lose their sick days, but no additional days will be added to the accumulated balance. As accumulated sick leave is used by the employee, they will not be replenished.

The District Administrator or designee may question an employee about the use of sick leave time. The District Administrator or designee may require an employee to present a statement from a licensed physician certifying that the employee qualified for sick leave, and as appropriate, whether the employee has fully recovered from illness or injury and is capable of resuming regular duties. Payment will not be made for fraudulent use of sick days.

Pre-arranged sick leave must be entered into the District's online system as early as possible, but at least ten (10) business days prior to the requested date. Approval of any absence may be rescinded if a substitute cannot be attained. If by two (2) days prior to the requested leave date a substitute cannot be attained, the employee may be informed and the request may be denied.

Yearly sick leave is granted to the employee on the first working day of the fiscal year. Such leave is granted only if the employee is able to report for work and perform work prior to making a claim against the sick days granted by this provision. Should an employee leave the employment of the district before the completion of the year, a prorated amount of sick leave shall be removed from the recorded balance. In a case where the employee exceeded the sick leave balance, the amount exceeded shall be deducted from the final amount of pay due.

Employees who exhaust all of their available sick days and do not qualify for STD may submit a written request to the District Administrator for additional unpaid days. The request must be made at least 10 working days in advance, if possible.

Sick days may be taken in hourly increments.

Abuse of Sick Leave

The District shall grant sick leave with pay to those employees who are eligible for this benefit as defined in this handbook.

The supervisor shall monitor the use of sick leave in order to identify those employees who abuse this privilege. Employees who have excessive intermittent or regular use of sick leave may be asked by the District to provide medical proof of their ability to continue employment or verification from their physician as to the need to be absent. For the purpose of this section, "excessive" is defined as a level of sick leave use above the average for similarly classified employees, who have not been required to provide medical documentation for the necessity of such leave.

Patterns of sick leave use may suggest an abuse of sick leave and may result in disciplinary action. A pattern of abuse may be evidenced by sick leave contemporaneous with weekends, or holidays or a pattern of intermittent leave without medical authorization or a pattern of "earn and use" over an extended period.

An employee who submits a false sick leave request or statement from a physician or other healthcare provider that has been altered or fraudulently prepared may be disciplined up to and including termination from employment.

ABSENCE DUE TO ILLNESS IN THE FAMILY/EMERGENCY LEAVE

Emergency leave for the serious health condition of father, mother, spouse or dependent child will be authorized in conformance with Federal and State Family and Medical Leave Acts (FMLA). Available sick leave as well as personal days and vacation may be substituted for otherwise unpaid Family Leave

ABSENCE DUE TO DEATH IN THE FAMILY (BEREAVEMENT LEAVE)

Death in the Family: A three (3) day leave with pay shall be granted without deduction from sick leave in the event of the death of a parent, brother, sister, husband, wife, domestic partner, child, or grandchild. A one (1) day leave shall be granted in the event of the death of a grandparent, aunt or uncle, niece or nephew, or cousin. These provisions shall also apply to "in-law" and "step" relationships.

The District Administrator may grant additional days under this provision. If so granted, additional leave shall not establish a precedent.

For more information employees shall refer to the District Policies.

ABSENCE DUE TO INJURY - WORKER'S COMPENSATION

All employees are eligible for benefits under the State of Wisconsin Workers Compensation statute if they are injured on the job. Accidents must be reported to the building principal or designee immediately. When this is not possible, accidents must be reported within 24 hours of the occurrence. Even though no medical care or hospitalization may be required at the time of injury, it is essential that workers compensation forms be completed and on file in the business office in the event medical attention is needed or disability occurs at a later date.

Compensation to and medical expenses on behalf of the injured employee shall be paid as required by the workers compensation law. Additional information can be obtained by contacting the Business Manager.

It is a crime to knowingly provide false, incomplete, or misleading information to any party to a workers compensation transaction for the purpose of committing fraud. Penalties may include imprisonment, fines, and/or denial of insurance benefits.

ABSENCE/LEAVE FOR JURY DUTY OR SUBPEONA

Staff members that are called to perform their civic responsibility as a potential juror, or summoned to appear in court based on a subpoena, shall be excused for any days or portion of days on which the staff member is required to report. Any staff member that receives a notice of jury duty (or subpoena) shall provide such notice to the building principal, and shall call in on each morning to report whether he or she is required to report to jury duty that day. Staff members that miss work due to jury duty must provide verification from the court that they attended on that date. If the employee complies with the instructions for authorizing such appearances, the employee will receive the employee's normal daily compensation for each day the employee is absent because of being on a jury panel or serving jury duty. The employee will pay to the District the jury or witness fee paid to the employee for serving on a jury or appearing as a witness up to the value of employee's normal daily salary. Meal and travel allowances provided will be retained by the employee.

If the employee is released from court prior to the end of a scheduled work day, the employee is expected to report to work even if the District has secured a substitute.

ABSENCE DUE TO MILITARY LEAVE

Employees will be granted Military Duty leave in conformance with the Uniformed Services Employment and Reemployment Rights Act (USERRA), section 45.50 of the Wisconsin Statutes, and implementing regulations.

Employees requesting Military Duty leave must provide notice to the School District of the requirement for leave. Notice must be given as far in advance as is reasonable under the circumstances, unless impossible or prevented by military necessity. If the employee is unable to provide advance notice, notice will be provided as soon as possible.

If military duty is performed pursuant to individual or group written military orders, the employee must provide a copy, or arrange to have a copy of the orders provided, to the School District as soon as possible

FAMILY AND MEDICAL LEAVE

All employees of the School District of Chilton who meet applicable Federal and/or State requirements will be covered by Family Medical Leave Acts (FMLA) in affect at the time of request. These acts allow an employee to take up to 12 weeks of unpaid job protected leave per calendar year for reasons including:

1. Serious health conditions;
2. A family member's serious health condition;
3. Parental leave to care for a newborn or newly adopted or placed child;
4. Because of any qualifying exigency arising out of the fact that the employee's family member is on active duty in the Armed Forces in support of a contingency operation.

The FMLA statutes contain requirements that an employee notify the employer 30 days in advance for anticipated or scheduled medical treatment, intermittent leave, leave on a reduced schedule, and of requests for leave near the end of an academic term. Please contact the district office for additional information regarding rights and responsibilities under the FMLA.

For more information, employees shall refer to the District Policies.

ADDITIONAL AUTHORIZED LEAVE OF ABSENCE

Additional leave may be authorized for compelling personal reasons, or upon receipt of special circumstances or for other good cause. Such leave may be granted with the pay of the substitute deducted from the employee's pay. Leave requests that are primarily for pleasure or are vacation oriented will not be approved.

The employee must request a leave of absence in writing stating the reason for the request and anticipated date of return. Requests for a leave of absence must be approved by the District Administrator.

Board of Education contribution toward the cost of all employment benefits will be discontinued during an approved leave of absence. The employee may remain a member of the group insurance plans during leave; however, he/she must pay the applicable premiums to the School District during the leave of absence. Sick leave cannot be granted during a leave of absence; however, accumulated sick leave, if any, at the time leave begins, will be restored upon return to work from a leave of absence.

Benefits accrued at the beginning of a leave will not be lost, but none will accrue during an approved leave of absence.

Leaves of absence under this subsection will begin and end on dates which are mutually agreed upon by the administration and the employee.

PERSONAL DAYS

Two (2) days leave of absence per year shall be granted at full pay for personal reasons which require absence during school hours for School Year Employees.

One (1) day leave of absence per year shall be granted at full pay, for personal reasons which require absence during work hours for 12 Month Employees that work more than 30 hours per week.

The days will be converted to hours based on the employee's scheduled work day.

Pre-arranged personal leave should be entered into the District's online system as early as possible, but at least ten (10) business days prior to the requested date. Approval of all requests made less than ten (10) business days in advance may be rescinded if a substitute cannot be attained. If by two (2) days prior to the requested leave date a substitute cannot be attained, the employee may be informed and the request may be denied.

Personal time may be taken in hourly increments.

Personal leave may be cumulative up to three (3) days for School Year Employees.

Personal leave may be cumulative up to two (2) days for 12 Month Employees.

Personal leave may be used consecutively. Such leave shall not be allowed on the day immediately before or after scheduled week-long breaks, professional development days or during the last week of school, except in extraordinary cases approved by the District Administrator. Administration and supervisors have the right to deny requests based upon staffing. Leave will be granted on a first come, first served basis. Employees are not required to provide a reason for the use of a personal day, however, specific requests must be made as provided above.

School Year Employees may use personal leave for snow cancellations days if the snow day will not be made-up at a later date.

VACATION (Full-time 12-month Employees)

Vacations will be granted on July 1 annually based on each full year of service and the anniversary date of employment. Vacation will be granted as follows:

Completed Years of Service	Vacation Days
0	5
3	10
5	15
15	20

For employees hired after July 1, vacation will be calculated on a prorated basis and rounded to the nearest half day. Credit will be given for the month if hired before the 15th of the month. Should employment terminate before one year of employment is attained, any vacation days used will be deducted from final compensation due.

Vacation days must be taken within 12 months of the time they are granted—days may not be carried into the next year.

Vacation days may be taken at any time during the year, subject to prior approval of the supervisor.

Terminating or retiring employees may not use vacation or other paid leave time to extend their last day in pay status. Any unused vacation days which cannot be used by a terminating or retiring employee will be paid in a lump sum in the employee's last regular paycheck. For employees terminating or retiring prior to July 1, vacation days paid out will be on a prorated basis, rounded to the nearest half day. Credit will be given for the month if worked after the 14th of the month.

Vacations are to be scheduled with the employee's immediate supervisor and with the approval of the District Administrator. Employees may use up to 2/5 of their earned vacation during the "academic school year" with approval of the immediate supervisor and District Administrator. The supervisor or District Administrator shall have the authority to deny the request, if in her/his opinion the request will interfere with functioning of the District or a school. One person per division (secretary, maintenance) per building may exercise this option on a given day.

Coverage of Work Areas

It is the responsibility of the supervisor to assure adequate coverage of work areas and telephones on which calls to the District and schools are received. Vacation time may be approved by the supervisor in accordance with good work practices and must permit uninterrupted support of all educational activities when approved.

PAID HOLIDAYS (Full-time 12 month Employees)

Paid holidays are as follows:

- New Year's Day
- Friday before Easter
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Day following Thanksgiving Day
- Christmas Eve
- Christmas Day
- New Year's Eve Day

To be eligible for holiday pay, an employee must be in employment status on the holiday, must work or be in pay status the last scheduled work day immediately preceding, or the first scheduled work day immediately following the holiday. Therefore, if employment is terminated immediately prior to or if an employee is not employed immediately after the holiday, holiday pay will not be paid. Holidays while on leave without pay are not paid.

AT-WILL EMPLOYMENT

The primary role of support personnel is to support and enhance the efforts of instructional and administrative personnel to achieve Board of Education – adopted goals for schools and to execute Board policies. All personnel policies and rules pertaining to support personnel must be adopted in conformance with the primary role.

Support staff members are individuals who work for the District in positions which are not subject to a statutory employment contract requirement. All support staff employees are employees at will. Support staff positions are listed in Policy 4120.01. The Board of Education may authorize additional support staff positions, or additional administrative or professional positions, not subject to this policy.

The District reserves the right to modify, revoke, suspend, terminate or change any and all policies or procedures, in whole or in part, at any time with or without notice. The text and terms of Board of Education policies or of any Letter of Employment are not, and are not intended to create or constitute a contract of employment between the District and any one or all of its employees, or a guarantee of continued employment for any term, fixed or otherwise. Employment may be terminated at any time, for any lawful reason, with or without cause.

Support staff members are required to adhere to all Board of Education policies as well as Wisconsin statutes and administrative regulations governing schools. When engaged in the course of their work and when in contact with members of the public, support staff members are expected to act in the best interests of the School District at all times. Failure to do so may result in disciplinary action.

EMPLOYMENT REQUIREMENTS

As governed by District, state, and federal requirements – all new employees must submit the following:

- Completed employment application
- Physical examination and tuberculin test or completion of approved medical form (Scheduled through District approved provider)

All offers of employment are contingent upon satisfaction of the above requirements.

REPORTING REQUIREMENTS

All district employees are obligated to report child abuse or neglect. Further, employees must report any threats of abuse or neglect that become known. Employees are required to report an incident in situations when the victim of the abuse or neglect is a child that is seen in the course of the employee's professional duties. This does not limit the reporting obligation to information obtained in the classroom.

Employees should contact immediately the building principal or District Administrator with fact-specific questions about whether a report must be filed with the proper authority. The District will keep such information confidential and will not make any employment decision based on an employee report of child abuse or neglect.

CLASSIFICATION OF SUPPORT STAFF POSITIONS

- Exempt employees are support staff employed under specific legal criteria for an annual salary and are exempt from minimum wage and overtime compensation requirements.
- Non-exempt employees are paid an hourly wage for hours worked and are eligible for overtime compensation as required by law.

HOURS OF WORK

The work week for the School District of Chilton begins on Saturday and ends on Friday.

Hours and days of work are established by the District Administrator, but may be adjusted as needed by supervisors for short-term or emergency situations. Personnel who work 4 hours or more per day may take a 10 minute paid break. Personnel who work 6 hours or more per day may take a 10 minute paid break and must take a 30 minute lunch break without pay. Breaks will be scheduled by the immediate supervisor with every effort being made to schedule them at the middle of the employee's shift.

Overtime: When a non-exempt employee works more than 40 hours in a work week (defined in the above section) without any unpaid or paid leave, whether approved or not, the employee is entitled to overtime pay at the rate of 1.5 times the employee's regular rate for hours worked in excess of 40 hours. If an employee works 40 or more hours in one workweek in different positions, an hourly rate will be determined by using a "blended" rate as defined by the Department of Labor.

Employees, who work beyond their scheduled hours or overtime without the approval of their supervisor, or in direct violation of a directive not to work additional hours, will be subject to disciplinary action. In the case of repeated violations, the discipline recommended may be up to and including termination of employment. Only the supervisor can approve overtime in advance of the time worked.

Trade off time: Extension of a workday may be balanced by limiting the hours worked on a different day in the same work week. This is not always possible and can create an overtime obligation. For example, if an employee must finish a project on Monday and works an extra 2 hours, then, with the permission of his/her supervisor, that employee may come in 2 hours late or leave 2 hours early on any day Tuesday through Friday. Trade off time cannot bridge workweeks. That is, an employee cannot work 45 hours in one workweek and 35 in the next and consider this trade off time.

Observance of the Work Day

It is the responsibility of the employee to be present and ready for work on time. Lateness in reporting for work or returning from lunch breaks, leaving work before the end of the scheduled work period or any other unauthorized absence is grounds for disciplinary action.

An employee absent from his/her position without approval of the supervisor whether for part of an hour or longer, is subject to disciplinary action.

INCLEMENT WEATHER DAYS/EMERGENCY SCHOOL CLOSING

If school is delayed, canceled or dismissed early due to inclement weather or emergency reasons, staff shall report to work as directed by their supervisors under the following guidelines.

1. School Cancellations

Full-Time, 12 Month employees shall report for work. If the employee determines that he/she is unable to report to work for any reason, a personal day, vacation day, or day without pay may be taken.

Part-Time, School Year and Part-Time Hourly employees are not to report but are required to work on the assigned make-up day unless otherwise directed by their supervisor. The employee may use a personal day if day does not need to be made up by students.

2. Delayed School Openings

Full-Time, 12 Month employees shall attempt to report to work as close to their scheduled starting time as possible.

Part-Time, School Year, Hourly and Seasonal employees are to report based on their supervisor's direction. The employee may use personal time.

3. Early Dismissals

All support staff employees shall remain on duty until dismissed by their supervisor. Supervisors shall coordinate decisions for early dismissals with the District Administrator. The employee may use personal time.

RECRUITMENT, APPLICATION AND SELECTION

The School District of Chilton is an Equal Opportunity Employer and as such does not discriminate on the basis of any protected characteristic, to include, but not limited to race, sex, religion, color, age, ancestry, national origin, sex, marital status, sexual orientation, gender identification, age, disability or on the basis of any other form of employment discrimination, prohibited by law.

Appointment and promotion with the District shall be based upon merit and performance. Selection and promotion of personnel will be based solely on job-related knowledge, skills, abilities, experience, education, prior work performance and adaptability.

Notice of employment opportunities shall not be limited to in-house postings, but internal job announcements may precede ads in newspapers of general circulation and on the internet, unless otherwise determined by the District Administrator.

JOB ABANDONMENT

Should an employee fail to report to work at an assigned time, without prior or subsequent notice, the District may consider this job abandonment after a period of 24 hours beginning with the commencement of the assigned work shift missed.

If the employee notifies the District, the reasons for the absence will be considered along with a recommendation from the supervisor regarding disciplinary action.

EMPLOYEE TIMEKEEPING

The District utilizes a time keeping system as the official record of hours worked. All non-exempt employees must clock in and out for each shift.

Falsification of timekeeping and attendance records is a serious matter which may result in disciplinary action up to and including termination of employment.

Exempt employees do not use time sheets or the timekeeping system to record hours and are governed under different rules and regulations from non-exempt employees issued by the Department of Labor. Exempt employees are not eligible for overtime pay, or compensatory time. Exempt employees must report their absences through the District approved electronic time keeping system.

PROFESSIONAL DEVELOPMENT/IMPROVEMENT

Support Staff may have the opportunity to learn, grow, and continue to demonstrate their expertise in the School District of Chilton through identified professional development activities with prior approval from their Supervisor.

Employees may appeal their evaluation by following these steps:

Special evaluations may be conducted at any time if an employee's performance is determined to be unsatisfactory.

ANTI-HARASSMENT POLICY

The Board of Education is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

For purposes of anti-harassment, "School District community" means individuals subject to the control and supervision of the Board including, but not limited to, students, teachers, staff, volunteers, and Board members, agents, contractors, or other persons. "Third party" means individuals outside the School District community who participate in school activities and events authorized by the Board including, but not limited to, visiting speakers, participants on opposing athletic teams, parents, and vendors doing business with, or seeking to do business with, the District whether on or off School District property.

Harassment consists of unwelcome conduct, whether verbal, physical, or visual, that is based on a person's protected status, such as sex, color, race, ancestry, creed, religion, genetic information, national origin, age, handicap, disability, marital status, veteran status, citizenship status, sexual orientation, arrest record, conviction record, or other protected group status, which affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee-to-employee, student-to employee, male-to-female, female-to-male, male-to-male, or female-to-female.

The District Administrator has prepared written administrative guidelines for professional staff members to follow when reporting alleged harassment. The process that will be followed when conducting an investigation regarding alleged harassment that is prohibited is also set forth in these administrative guidelines.

For more information employees shall refer to the District Policies.

STAFF DISCIPLINE

The Board of Education retains the right and the responsibility to manage the work force. When the discipline of a staff member becomes necessary, such action shall be consistent with the requirements of any applicable Board policy and State and Federal law. The District Administrator may issue discipline, when she/he deems appropriate, however, student performance on examinations may not form the basis for staff discipline.

Investigation of Possible Criminal Activity

The District is required to investigate potential wrongdoings on the part of employees. Such investigations may require that the employee answer questions relating to the activity. Failure to cooperate in an investigation may result in discipline, up to and including termination of the employee. In cases where this possible wrongdoing may involve possible criminal activity, the District shall inform the employee that answers to questions relating to the employee's conduct may be used by the District for determining appropriate discipline, but will not be provided to law enforcement officials in the course of an independent criminal investigation, unless otherwise required by law. Employees are placed on notice that refusal to answer questions during a District investigation will be considered in determining discipline.

Staff may be disciplined for violations of Board policy or for other failure to meet the expectations and obligations of their position. No staff member may be subject to arbitrary or capricious disciplinary action.

The District Administrator may issue discipline to staff members when s/he deems appropriate. The level of discipline may range from oral reprimands to suspension or termination. The level of discipline shall be consistent with the seriousness of the offense as determined by the District Administrator.

All instances of staff discipline are subject to the employee grievance procedure, set forth in Policy 4340.

GRIEVANCE PROCEDURE

The purpose of this procedure is to provide the exclusive internal method for resolving grievances concerning employee discipline, employee terminations and workplace safety. This procedure applies to all regular full-time and part-time employees.

A grievance shall mean a dispute arising out of interpretation or application of Board of Education Policy or Administrative Guidelines, concerning employee discipline, termination of employment, or conditions that affect workplace safety. Only one subject matter shall be covered in any one grievance. A written grievance shall contain:

- A. the name and position of the grievant;
- B. a clear and concise statement of the grievance, including the date of disciplinary action or safety incident;
- C. the issue or reason for the grievance;
- D. the relief sought;
- E. the date the incident or violation took place;
- F. the specific section of the applicable Policy or Administrative Guidelines alleged to have been violated;
- G. the signature of the grievant and the date.

All employee grievances must be filed by the aggrieved employee(s). The grievance must be filed within ten (10) working days after the employee knew or should have known of the cause of such grievance. Grievances of the same type, and with a similar factual basis, may be consolidated at the discretion of the District Administrator. The following procedures shall be followed:

- A. Principal:**
Any employee that believes s/he has a concern subject to the grievance procedure shall first present a written grievance to the building principal. If applicable, the employee shall conform to directives or perform assigned tasks and grieve later. The Principal shall, within five (5) working days of receipt of the grievance, meet and

discuss the grievance with the employee and then provide a written decision within five (5) working days.

B. District Administrator

If the grievance is not satisfactorily resolved at the building principal step, the written grievance may be submitted to the District Administrator within five (5) days of receipt of the decision of the building principal. The District Administrator shall, within five (5) working days of receipt of the grievance, meet and discuss the grievance with the employee and then provide a written decision within ten (10) working days.

C. Hearing Before an Impartial Decision maker:

In the event the matter is not resolved to the employee's satisfaction by the District Administrator, the employee may, within five (5) working days of the date of the written decision of the District Administrator, request in writing that the matter be referred for a hearing before an impartial hearing officer. The Board of Education shall appoint a hearing officer for the purpose of conducting the hearing. The District Administrator will schedule a hearing with the selected hearing officer, employee, and District representatives. Each grievance shall be heard by a single hearing officer. The impartial hearing officer will have the authority to administer oaths and issue subpoenas. Grievance hearings will be convened in closed session unless otherwise required to be held in open session as a matter of law. The employee and the District may present witnesses, and each side may select one individual to attend the hearing as a representative. Any employee representative shall appear at no expense to the District.

The Hearing Officer may only consider the matter presented to him/her in the initial grievance filed by the employee(s). The decision of the Hearing Officer will apply exclusively to the employee(s) presenting the grievance.

The impartial hearing officer will convene such hearing as the officer deems necessary, and render a written decision on the grievance within thirty (30) days of receipt of the grievance. The time for decision may be extended by the impartial hearing officers in response to a request by, or with the approval of the grievant.

The impartial hearing officer may apply relaxed standards for the admission of evidence, including the admission of hearsay. The oral or written statements of students, which might otherwise be hearsay, will be considered by the impartial hearing officer without the direct testimony of students, if other, non-hearsay information is presented.

Any costs assessed by the impartial hearing officers will be paid by the District.

D. Board of Education:

If the decision of the impartial hearing officer is not satisfactory to the grievant or the School District administration, the grievance may be submitted to the Board of Education by the grievant or a school administrator, in writing, within ten (10) days of the decision of the impartial hearing officer. Within twenty (20) days after presentation of the written grievance to the Board of Education, a review of the decision of the impartial hearing officer, together with any further written comment by the grievant and school administration, will be

conducted by the Board during a closed session meeting. Within ten (10) days following the closed session review, the Board will issue a final written decision.

Nothing in this grievance procedure shall prevent any employee from presenting concerns regarding matters, not subject to the grievance procedure, to an administrator, and employees are encouraged to do so. Matters not subject to the grievance procedure that are raised by employees shall be addressed by administration, subject to any applicable Board policy, Administrative Guideline, or directive.

Time limits contained in this grievance procedure outlined above may be extended by mutual consent of the employee/grievant and District Administrator. If the building principal, District Administrator or impartial hearing officer fails to provide a written decision within the time limits prescribed, the employee may advance the grievance to the next level. Grievances not processed to the next level by the grievant within the prescribed time limits, will be considered withdrawn.

In the event of a conflict between the terms of this procedure and a provision within the individual employment contract of the grievant, if any, the contract provision will control.

For purposes of this grievance procedure, the following definitions shall apply:

- A. "Workplace safety" means those conditions related to physical health and safety of employees enforceable under Federal or State law, or District rule related to: the physical work environment, the safe operation of workplace equipment and tools, provision of protective equipment, training, warning requirements, workplace violence and accident risk.
- B. "Termination" does not include the nonrenewal of an employment contract pursuant to 118.22 and 118.24 Wis. Stats., nor does it include job transfer, demotion, or termination of an employment contract as the result of reduction in force under Policy [3131](#) and Policy [4131](#).
- C. "Employee discipline" refers to unpaid suspensions and written reprimands, but excludes performance conferences/evaluations, staff assignments, job re-assignments, demotions, transfers, changes in job duties, work performance improvement plans and oral reprimands (unless a written record of the reprimand is placed in the employee's file).
- D. "Days" mean work days, other than weekends and holidays. The time within which an act is to be done under this policy shall be computed by excluding the first day and including the last day.
