

Chilton Public Schools

Summer School 2026

The Chilton School District once again will be providing summer school opportunities. As in the past, we continue to strive to provide a variety of opportunities to allow diverse options for our students. Summer School will run from 8:00-12:00 Monday June 8th - Thursday June 25th, with no classes on Friday.

If you are planning to have your student attend from 8:00 - 12:00, we ask that you sign them up for four classes. We do not have supervision for students that do not have an assigned class.

All classes will be held at the high school. All traffic for summer school will enter and exit from Highway 151 or Quinney Road. Parents will drop off and pick up students at Entrance A, the main entrance by the gym.

All classes will be 55 minutes in length. At 11:40 we will be providing free lunch to all students that attend summer school from 11:40-12:00 p.m. in the High School Commons. These lunches must be eaten at school. We do need some basic information from you to help us make sure we have the correct amount of food each day. During the registration process there will be a question that asks if your child would like to have lunch or not. This information is used to assist us in making the correct number of meals each day.

Classes will begin with students entering 5K and extend through high school. All students are able to select from a variety of options spanning from arts and crafts, sports, outdoor activities, and much more. We will also be offering acceleration classes for math and reading. We are excited to offer many great opportunities for each grade level and we hope all students are able to attend with the addition of bussing. If you are requesting bussing for your son or daughter you will need to make sure to select the box "transportation needed" when you register for classes. Bussing will be for anyone living 2 miles or further out from Chilton Middle School. Buses will depart from the school at 12:00 p.m. each day at the completion of lunch.

The course catalog will be available on-line April 10th. On-line registration will be open April 13th through May 1st. Please log on to the school web page to access the summer school signup link. As we prepare for class sizes, teacher aides and staffing, we will not accept any late registrations. Class sizes are limited and will be offered on a first come first serve basis.

If you have any issues with registration or forgot your passcode, please contact Ann in the Middle School office, 920-849-9152 for assistance.

Respectfully,

The Summer School Team:
Becky Lemke
Ann Hanamann

Alphabet Adventures

8:00 AM to 9:00 AM

Students in this class will have an exciting time learning the letters of the alphabet. We will play games, read books and create craft projects.

GRADES: Incoming 5K - 1st grade.

Teacher: Elizabeth Rodriguez

Room: High School - H1043 Classroom

\$ 5

Art in Nature

8:00 AM to 9:00 AM

Explore the natural world through art. In this course we will create artwork with natural materials, draw and paint outdoors, and enjoy the beauty that is all around us.

GRADES: Incoming 2nd - 4th grade.

Teacher: Mckayla Mertz

Room: High School - H1074 Classroom

\$ 5

Arts and Crafts

8:00 AM to 9:00 AM

Have fun being creative while exploring a variety of different arts and crafts materials. We will create with clay, paint, draw, bead and sew. Each day will be new and exciting!

GRADES: Incoming 5K - 2nd grade.

Teacher: Ashley Elmergreen

Room: High School - H1046 Classroom

\$ 8

Baseball and Softball

9:00 AM to 10:00 AM

Students will learn baseball fundamentals including throwing, fielding, hitting, base running, and other necessary tools to be a better player. There will be game-like activities that will test your baseball and softball skills.

GRADES - Incoming 6th - 9th grade.

Teacher: Daynen Pethan

Room: High School - H1075 Classroom

\$ 0

Basketball Drills & Skills I

10:00 AM to 11:00 AM

Enjoy playing basketball by improving hand-eye coordination and fast decision making skills. Become a better dribbler, passer and shooter with helpful drills. Learn and play the popular basketball games like Lightning, Around the World and 21 to continue applying your skills.

GRADES: Incoming 4th - 6th grade.

Teacher: Daynen Pethan

Room: High School - H1075 Classroom

\$ 0

Basketball Drills & Skills II

11:00 AM to 12:00 PM

Enjoy playing basketball by improving hand-eye coordination and fast decision making skills. Become a better dribbler, passer and shooter with helpful drills. Learn and play the popular basketball games like Lightning, Around the World and 21 to continue applying your skills.

GRADES: Incoming 6th - 9th grade.

Teacher: Daynen Pethan

Room: High School - H1075 Classroom

\$ 0

Bats & Balls

8:00 AM to 9:00 AM

Learn a variety of skills through the game of baseball & basketball with math games, map skills and friendly versions of the game. (Please bring a glove along!)

GRADES: Incoming 3rd - 5th grade.

Teacher: Daynen Pethan

Room: High School - H1075 Classroom

\$ 0

Books and Crafts I

10:00 AM to 11:00 AM

Each day we will work on our reading skills, as well as make a craft that goes along with our book. Our goal is to increase reading and comprehension skills, but also make meaningful memories.

GRADES: Incoming 1st - 3rd grade.

Teacher: Ashley Elmergreen

Room: High School - H1046 Classroom

\$ 3

Books and Crafts II

11:00 AM to 12:00 PM

Each day we will work on our reading skills, as well as make a craft that goes along with our book. Our goal is to increase reading and comprehension skills, but also make meaningful memories.

GRADES: Incoming 1st - 3rd grade.

Teacher: Ashley Pagel

Room: High School - H1082 Classroom

\$ 3

Brilliant Bricks (2 hour class)

8:00 AM to 10:00 AM

Turn plain bricks into brilliant works of art! Students will paint different shaped bricks to create an animal, seasonal projects, and more to decorate your house or yard.

GRADES: Incoming 6th - 9th grade.

Teacher: Kay Biese

Room: High School - H1086 Art Room

\$ 9

Chef 2B - I

10:00 AM to 11:00 AM

Fun adventures in the kitchen will happen each day in this course. Learn to make fun, creative foods and snacks that are not only good to eat but are healthy fuels for your body. This class offers a fun hands on approach to the kitchen and incorporates activities with a food theme. Please include any food allergies under the "Special Needs/Private Comments" section when registering.

GRADES: Incoming 5K & 1st grade.

Teacher: Lynn Woelfel

Room: High School - H1041 Classroom

\$ 8

Chef 2B - II

11:00 AM to 12:00 PM

Fun adventures in the kitchen will happen each day in this course. Learn to make fun, creative foods and snacks that are not only good to eat but are healthy fuels for your body. This class offers a fun hands on approach to the kitchen and incorporates activities with a food theme. GRADES: - Incoming 5K & 1st grade.

Teacher: Lynn Woelfel

Room: High School - H1041 Classroom

\$ 8

Christmas in June

9:00 AM to 10:00 AM

Project 1: Make a holiday tie blanket to keep you or a loved one warm.

Project 2: Learn how to embroider an ornament.

Project 3: Latch hook a holiday hanging, rug, or pillow.

GRADES: Incoming 4th - 8th grade.

Teacher: Sue Salzsieder

Room: High School - H1064 Library

\$ 8

Clay, Clay, Clay I

10:00 AM to 11:00 AM

Do you like to be creative? Then this class is for you. In this class you will use your creativity to make a variety of animals and objects. Due to the young age of the students, they will work more with play dough and modeling clay than traditional clay.

GRADES: Incoming 5K - 2nd grade.

Teacher: Mckayla Mertz

Room: High School - H1074 Classroom

\$ 4

Clay, Clay, Clay II

11:00 AM to 12:00 PM

Do you love to work with clay? Then this class is for you. In this class you will create a beautiful fish, sun catcher, mosaic and more.

GRADES: Incoming 3rd - 5th grade.

Teacher: Mckayla Mertz

Room: High School - H1074 Classroom

\$ 4

Competitive Sports and Games I

10:00 AM to 11:00 AM

Improve your teamwork, athletic skills, and overall knowledge of your favorite summer time sports. We'll play tennis, ultimate frisbee, soccer, basketball, flag football and more. Bring your athletic shoes and a cool drink because this class will be a workout.

GRADES: Incoming 4th & 5th grade.

Teacher: Ashley Neel

Room: High School - H1071 Classroom

\$ 0

Competitive Sports and Games II

11:00 AM to 12:00 PM

Improve your teamwork, athletic skills, and overall knowledge of your favorite summer time sports. We'll play tennis, ultimate frisbee, soccer, basketball, flag football and more. Bring your athletic shoes and a cool drink because this class will be a workout.

GRADES: Incoming 2nd & 3rd grade.

Teacher: Ashley Neel

Room: High School - H1071 Classroom

\$ 0

Computer Coding I

8:00 AM to 9:00 AM

Students will focus on computer science coding projects. You will learn the concepts of loops, variables, conditionals, and functions that form the basis for all programming. Code.org will be used as a platform for this class. We will also program robots like Dash-Dot and Ozobots. A 3D software will be introduced with the goal of printing a 3D object.

GRADES: Incoming 1st - 3rd grade.

Teacher: Ann Bartel

Room: High School - H1068 Classroom

\$ 2

Computer Coding II

9:00 AM to 10:00 AM

Students will focus on computer science coding projects. You will learn the concepts of drag and drop coding that form the basis for all programming. We will program robots like Dash-Dot, Cosmo and Ozobots. A 3D software will be introduced with the goal of printing a 3D object.

GRADES: Incoming 2nd - 5th grade.

Teacher: Ann Bartel

Room: High School - H1068 Classroom

\$ 2

Creative Bricks

11:00 AM to 12:00 PM

Unleash your imagination this summer, where a new creative LEGO challenge awaits each day. From inventive builds to group missions, students will design, problem-solve, and bring their ideas to life - brick by brick!

GRADES: Incoming 2nd - 4th grade.

Teacher: Sue Salzsieder

Room: High School - H1064 Library

\$ 8

Diamond Sports I

8:00 AM to 9:00 AM

Compete with fellow students around the baseball diamond. Enjoy kickball, baseball, and pickleball while exercising in the summer sun.

GRADES: Incoming 2nd - 4th grade.

Teacher: Ashley Neel

Room: High School - H1071 Classroom

\$ 0

Diamond Sports II

9:00 AM to 10:00 AM

Compete with fellow students around the baseball diamond. Enjoy kickball, baseball, and pickleball while exercising in the summer sun.
